

Standex 2K Special Matt makes simple Matt Refinishing.

1

Defining the color and gloss level.

2

Preparing and cleaning the surface.

3

Applying the basecoat as per Technical Data Sheets.

4

Applying the 2K Special Matt ready to use clearcoat mixture in two carefully controlled overlapping coats with inter-coat flash-off 5 – 10 minutes.

Final flash-off 10 – 15 minutes.

5

Drying the matt clearcoat 45 – 50 minutes at 60°C object temperature.

6

Color and gloss level harmonize with the original!
